

LETTER OF INTENT: KINOÏT PLATFORM

This Letter of Intent is to affirm that I, the undersigned, a member-in-good-standing of the organisation described below, have its mandate to express the desire for coöperation with other parties - private, institutional and commercial - for the purpose of collectively realizing the goals of the KINOÏT PLATFORM project while honoring the community standards of respect, honesty and goodwill.

This Letter of Intent is of no expiry and is not bound to my person. It serves to confirm the organisation's will of coöperatively participating in the project. It expresses neither admission of culpability for activities occurring on the platform nor agreement with protected expressions of free speech by authors on the platform - past, present and future.

That said, we believe in the mission of being creative together and hereby reaffirm our pledge to never accept funding or support from any organization, group or company that knowingly violates any part of the 1948 United Nations **Universal Declaration of Human Rights**.
